

Offer of help for our tenants

Dear Sir/Madam,

You have received a notice to quit your flat. You are at risk of eviction action because of rent arrears.

You are at risk of being made homeless!

To prevent this happening, take up our offer of help. We are offering you the possibility of social counselling to enable you to keep your flat.

You can apply for assistance at the social services department of the City of Halle (Saale).

Do not reject this offer. Take advantage of the help being offered to you. Working together, we will find a way.

Our social worker, Ms Lange, can be contacted on 0345/ 527-2104. You can make an appointment for a face-to-face interview at the Mieterladen Heide-Nord, Aalweg 16/17.

Take action now to ensure you keep your home.

Yours faithfully
